- 12 pm Dismiss

Weekend Vision:

The vision for Elevate 2012 is that we would become people through which the Lord turns our schools, Carrollton, Texas, America, and the world upside down. This involves understanding God's character and our fully surrendered response to His character.

What to bring with you:

- Bible and pen/pencil
- Casual clothes for the weekend
- Blue jeans for Sunday morning (T-shirt will be provided to wear on Sunday)
- Toiletries and personal items
- Snacks and drinks
- An extra towel (Your host home will thank you for this!)
- Sleeping Bag/Sheets
- One suitcase/overnight bag - that's all!
- A positive and Godly attitude

What to leave at home:

- Alcohol, drugs, fireworks, or weapons of any kind
- Inappropriate material
- Negative attitude

Other Important Information:

-We are very thankful for all our volunteers during the weekend, especially our host homes and co-hosts. Please be praying for these volunteers as they serve our students. Our host families have been asked to walk their students through general house rules for the weekend as passed down by our staff, as well as specific house rules that they may ask your student to respect. We ask our students to please adhere to these rules and we ask for your cooperation in this as well.

- The weekend schedule and other important Elevate details will be made available on the Student Ministry website this week. Our Student Ministry website is fbccstudents.org. Links to directions to your student's host home and the host home's contact information will be emailed out to all participants next week.

- Today is the FINAL deadline to register for the weekend. Please make sure you have registered your student online by midnight tonight. No late registrations will be accepted.

Non-negotiable Rules:

- PDA will be monitored by staff and volunteers. Inappropriate behavior will be addressed. Excessive inappropriate behavior may result in a student's dismissal from the event.
- Movies and game stations are allowed but will be monitored for content throughout the weekend.
- Cell phones/CD/MP3/iPods, etc. are allowed but may only be used at designated times throughout the weekend.
- Students may not leave their host home unless a Time Away Card has been turned in and approved by the staff. Host homes will have a list of approved Time Away Cards.
- Absolutely NO pranking of the other homes. This will result in a student's dismissal from the event.

Special Thanks To:

Host Homes:

Jason & Amy Carpenter - 6th Girls
